

Come Build A Stairway To The Stars

Spend five days in beautiful Taos, New Mexico, meditating playfully, dancing joyously, and singing sensually. Singing can help you reside in the ground of your being and aid you in becoming fully human, while having fun! You will enjoy learning the art and craft of singing in a supportive, nurturing environment. By the end of the workshop, you will be performing songs artfully with inspiration.

July 30–August 3, 2007
